If business recycler, list items recycled: _____

MEMBER BENEFITS

Illinois' premier recycling professional organization: IRA provides peer networking with all sectors: commercial business, government, institutional and non-profit; and all types of recycling: traditional materials, E-Scrap, construction/demolition, organics and food scrap composting, de-construction for reuse, etc. Meet colleagues to learn (and teach!) about industry trends, best operational practices, best management practices and best available technologies. Being engaged in IRA's network shows you are serious about your recycling profession!

Member-to-Member Discounts: offered by many members exclusively to fellow IRA members

Your business logo/link: on IRA's informative, user friendly website for Business members + up

IRA's Online Events Calendar: is available to post YOUR special recycling events

3-Way Membership Listing: members can be searched by alphabetical list, by type of recycling and by geographic area, making it very easy for potential customers to find you on IRA's website!

IRA's Regional Coordinators Program: engage with others interested in recycling in your local area of IL through- meet fellow members, other supporters and possibly new customers through Green Drinks and similar IRA Regional social and educational events

IRA's Education and Certification Programs: opportunities for professional development are provided through IRA, including cutting-edge training, workshops, seminars, webinars and Sustainable Resource Management coursework

Door Decal or Certificate: showing you are a proud, current member of IRA, to display so your customers and visitors note that you are part of IRA's professional team (*coming soon*)

IRA Newsletter Member Profile: opportunity to be highlighted as one of IRA's members in our monthly emailed newsletter "Material Matters". Please share this monthly newsletter with others in your place of business.

Facebook, YouTube and Social Media: IRA consistently conducts outreach to its members and interested others, including member “shout-outs” for media stories, events and announcements, including yours!

Member Discounts: on advertisements in IRA publications/online venues and IRA events

IRA Action Teams: opportunity to engage in ground level efforts for recycling policy and IRA strategic efforts for public education, fundraising and members and partners engagement

Friendly Assistance: from IRA Board of Directors and staff, to help members in locating crucial information, with media outreach or contacts and to address other relevant recycling needs

Policy Engagement: opportunity to be involved with grassroots efforts to impact state level recycling policy

Discounted subscriptions: to industry publications

Daily email news clips: cover up-to-the-minute recycling, composting and solid waste news from newspaper, television and radio sources across Illinois and the Midwest

Membership in the National Recycling Coalition included: providing National level industry news/networking and participation in election of national board of directors

Enclose payment and mail to:

Illinois Recycling Association PO Box 9386 Springfield, IL 62791- 9386 ph: 708-358-0050
