

# ELECTRONICS COMMITTEE DESCRIPTION

---

The Committee consists of at least one (1) board member and two (2) additional members from the Board or the membership.

The purpose of this committee is to serve the IRF Electronic Collection and Recycling members. There will be at least two (2) meetings per year with all members invited to participate. The committee will discuss issues impacting both commercial and residential service providers and present information of interest to IRF members.

**2021 Committee Members:**

Luke Fikejs, Chair

Donna Vojensky, Com2 Recycling Solutions

Casey Hines, Dynamic Lifecycle Innovations
