

## REGIONAL OUTREACH COMMITTEE DESCRIPTION

---

The Illinois Recycling Foundation (IRF) is a statewide organization and recognizes there are differences in infrastructure and needs in different regions of the State. In order to better serve these areas, a committee is needed to search for members from the three regions (North, Central & South), organize meetings for members of every type twice a year in each region (goal to offer 6 meetings per year) where members are able to share their needs while also learning about a local program or service.
